

On 4/10/84, I located Fred Orlosky at 5686 Janet Drive, Bethel Park, Pa., Tele. #835-8226 and he agreed to meet me at Caste Village Shopping Center. He operates an Old Gran Prix Pontiac, Pa. Reg. 288-319.

Upon meeting Orlosky, who is 6 feet tall and weighs over 300 lbs., I properly identified myself and explained my purpose. Orlosky's immediate response was "if I can help I will and I want to, because I feel that Zeke Goldblum was not involved in the land scheme and personally I feel he did not advise or participate in the murder of George Wilhelm."

Orlosky stated that he met Clarence Miller through Attorney Vince Murovich, when Murovich ran for sheriff. During this campaign he, Orlosky, acted as chauffeur for Murovich. Orlosky described Miller as a person of limited intelligence, whom he described as almost retarded, with the intelligence of a 12 year old, but a very cunning and street-wise person.

Orlosky said he knew George Wilhelm, but again, not very well; they grew up in the same area. He said he also is acquainted with Thaddeus Dedo who is married to a neurotic woman who has succeeded in causing Dedo to be also neurotic. They have a couple of children and Dedo receives some sort of Veteran's Pension. Dedo is Miller's friend.

Orlosky said that Zeke Goldblum was not involved in the land-fraud scheme at all and never made any trips out of state to his knowledge. Orlosky admitted that he made 1 trip in this deal to N. Carolina. Orlosky said the person involved in this scheme was Carlyle Sharpe, from N. Carolina, who was a friend of George Wilhelm or Clarence Miller or both. Orlosky said he was not present when they stayed at the Commodore Hotel in D. C. or Skyline Motel in D. C.

Meeting with Attorney Scarlata set for 10:00 A. M., 4/18/84.
